This annual report is printed on HannoArt Silk, comprising fibres sourced from sustainable forest reserves and bleached without the use of chlorine. The production mill for this paper operates to EMAS, ISO 14001 environmental and ISO 9001 quality standards.

### Cautionary statement

This annual report contains forward looking statements which are made in good faith based on the information available at the time of its approval. It is believed that the expectations reflected in these statements are reasonable but they may be affected by a number of risks and uncertainties that are inherent in any forward looking statement which could cause actual results to differ materially from those currently anticipated.
